SBC-JIC Jesusita Fire 009  
DATE: May 6, 2009  
TIME: 6:25 PM

---

**WATER CONSERVATION**

Maintaining the elevation of the water levels in the reservoirs is essential for the fire department, in order to fight the fire. Please conserve water as much as possible within or without the evacuation zones. If you evacuate, please turn off your water service to avoid potential loss of water pressure in the affected area.
